

Directions for children's tours:

The Botanic Garden is located at the intersection of Wildcat Canyon Road and South Park Drive in Tilden Park. Please park along Anza View Road, which is about 100 yards west of that intersection, and enter the Garden through the West gate on Anza View Road so that children do not have to cross Wildcat Canyon Road. Docents will meet your group just inside the West gate.

Note that the Garden restrooms are in the parking lot across Wildcat Canyon Road from the main Garden gate.
